Description of Incident:		
<p>On September 13, 2022 at approximately 8:40am, I Officer Sagady was escorting Nurse Edwards for temperature checks in Bravo 2 pod along with OIT Poe and OIT McBride. While conducting the temperature checks, I made multiple announcements for inmates to be up and dressed. When I arrived to cell B2-229 inmate Blake was lying in bed. I told inmate Blake to wake up for temperature checks. He replied "Ok Tough Guy" and stood up quickly. I told Blake that I would talk about his problem afterwards in which he replied "No, we will talk about it now". I noticed that Blake was quenching his fist and I stated he needed to calm down. Blake then lunged at me and stated that "he was going to whoop my ass". I then gave Blake a direct order to turn around to be restrained. After multiple ignored commands I then pulled out my OC and gave more commands to place his hands behind his back to be restrained in which he ignored. Blake then stated again that he was going to whoop my ass. Due to the aggressive and belligerent behavior of Blake, I was in fear for the safety of myself, the OITs, and the nurse. I then administered one to one half burst of OC to the target specific area of inmate Blake. Blake then came towards me and tackled me knocking me on my back. OIT McBride and OIT Poe stepped in and tried to help gain control of Blake. During this time, multiple staff members responded and began using chemical agents from the other side of Blake. Chemical Agents hit me in the face which made me turn away for a few seconds. When I regained vision, I came from behind Blake and assisted him the ground with the least amount of force necessary with the help of multiple staff members. Blake was then restrained. I was then removed from the incident and escorted to medical to be seen by Dr. Lant and he recommended me go to BRMC Emergency Room. The doctor at BRMC stated that I had a strained muscle in my back, 2 abrasions on my neck, and 1 laceration on my left thumb. While at BRMC I was also tested for Hep C and Aids. I then reported back to the institution.</p>

<b>Description of Incident:</b>	
<p><b>Synopsis:</b> On 9/13/2022 at approximately 8:40am, inmate on staff assault was announced via radio in Bravo 2 pod. O/C spray was utilized by Officer Sagady (victim) during the incident (Video PSCC 091322_1106405-1). Upon staff arrival at the location, inmate t. Blake #1106405 (aggressor) was restrained with wrist and leg restraints and escorted to the RHU shower modules, where he refused decontamination after being asked several times by Lt. D. Bogle. He was then placed in RHU #1 and placed on 5-point restraints.</p>	
<p><b>Narrative:</b> On 9/13/2022 at approximately 8:30am, Officer T. Sagady, CIT McBride, CIT Poe, and Nurse Edwards were conducting temperature checks in B-2 pod. Upon arrival to inmate Blake's cell (B-229) Officer Sagady advised inmate Blake to be properly dressed and come to the door entry for his temperature check. Inmate Blake became instantly hostile, stating to Officer Sagady "who the fuck are you talking to like that?" "I'm getting up." The officer then stated "I was just asking if you were getting up." "I will talk to you after temperature checks in the office." The inmate then stated "no, you will talk to me now." Officer Sagady then advised both CITs and the nurse to step aside due to the inmate's aggressive behavior. Officer Sagady then advised the inmate that he was just asking if he was going to get up from his bunk and come to the door. Inmate Blake then continued his erratic behavior by cursing at the officer again, stating "It's best you stay right now." The inmate then lunged at Officer Sagady, where Officer Sagady backed up and removed his wrist restraints, advising the inmate several times to turn around to be cuffed. The inmate refused the commands and continued verbally threatening Officer Sagady and approaching him in what was perceived as a threatening manner. Officer Sagady then removed his O/C spray, advising several times for the inmate to turn around to be cuffed. The</p>

inmate continued to approach Officer Sagady, threatening to "beat his ass". At this point, Officer Sagady administered a 1/2 to 1 second burst of O/C spray, to the target specific areas of the inmate. The inmate then actively began assaulting Officer Sagady. Officer Sagady announced for assistance on the building channel, which was then relayed on channel one by the control room officer. OIT Poe then immediately responded back to the location to assist Officer Sagady. Officer C. Poseno arrived at the location and gave inmate Blake multiple orders to get on the ground to be restrained, but the inmate refused. Officer Poseno then administered a 1/2 to 1 second burst to the inmate's target specific areas. Officer Poseno and other staff members who arrived then attempted to gain control and restrain the inmates. Due to the inmates continued refusal to comply with directives by resisting to relinquish his arms, Sgt. Remmes utilized O/C spray (1/2 to 1 second burst) to the target specific areas of inmate Blake.

Once the inmate was restrained, he was escorted to RHU at 8:48am and placed in the shower module for decontamination. Inmate Blake was asked if he wanted to decontaminate approximately five times by Lt. D. Bogle, where the inmate refused each time.

All applicable employees were provided an Employee Treatment Record form for submission.

At approximately 9:02am, inmate Blake was placed in RHU #1 on 5-point restraints (K. Payne-camera, Sgt. J. Remmes-upper extremity right wrist, upper extremity left wrist-Sgt. J. Edmonds, lower extremity right leg-Sgt. E. Browning, and lower extremity left leg-D. Cane).

At approximately 9:08am, Nurse Johnson advised that the inmate's vitals were within normal limits.

At approximately 9:15am, the team exited the cell, with no injuries to report.

At approximately 12:45p, a cell extraction team was assembled (Sgt. E. Browning-camera, upper extremity left wrist-J. Saliers, upper extremity right wrist-D. Smith, lower extremity left leg-B. Dye, lower extremity right leg-D. Cane) and entered RHU #1 to remove inmate Black from 5-point restraints, and place him in transportation restraints (footage recorded), consisting of a jump suit, transportation shoes, wrist restraints, black box, waist chain, and leg restraints. Nurse Cordle was present on site and confirmed the inmate had normal limitations and was not disclosed of any injuries by the inmate. Inmate Black exited the back of inmate and was placed in security van SV-02 (72-3925) with Officer White (driver) and Sgt. Edmonds (driver), both armed. Transportation exited the Sallyport, en-route to WRSP at 1:06pm.

Re: I am informing you of a very serious Mob Attack in which occurred against me at Pocahontas State Correctional Center.

Subject Matter: At Pocahontas State Correctional Center (PSCC) <sup>B<sup>2</sup> Pod</sup> around August; I began to Exhaust My Administrative Remedies. I grew tired of being a passive spectator of their (PSCC) Criminal acts that were committed there. (No religious programs, Pork five times out of a week) One evening the Unit Manager Smith called me into his office and asked to withdraw my grievance. I kindly declined. He then stated that either good or bad would come of my actions... Then sent me back to my room. Now my very next grievance I asked for protection from retaliation. Warden Ms. T. Hicks then moved me to B<sup>2</sup> Pod for my protection. I'm aware Warden Hicks has presided over a Union Characterised by Corruption. Order in the PSCC was largely the preserve of Self-Judge, a surprising nuanced form of lynch law. Whereby the Staff of PSCC applied their own Moral Code to offenders, regardless or even defiance of the State laws... I was attacked by a Mob of officers, and what the Staff did to me was not Mindless Violence but a process with its own logic and its own principles. Above all, this Sometimes brutal Form of Corporal punishment is essentially geared towards protecting the interests of the Facility. (Exhausting you Administrative Remedies) which threatened the Survival or Social Order Within the Facility are dealt with mostly harsh... I was HOGTIDE then beaten because I did not take a knee!!

No, this attack was much Larger then that, much more deeper then its core.

Description:

Pursuant to my Father's (Maceo Jones) instruction, I am informing you of a very serious Mob Attack and how I was harmed by a Mob of officers. This document will indicate names of some officers that were involved and a brief illustration of what took place.

To proceed,

On Sept 13, 2022; Incident occurred at Pocahontas State Correctional Center time approximately 8:40 am. B<sup>2</sup> Pod as well as in the Shower at SEG.

I was resting in bed which is when %Sagady opened my door (6P B<sup>2</sup>29) and Yelled, "Get Cha Ass Up!" And I then woke up. That's when I saw Nurse Edwards standing along side %Sagady. I knew that it was Temperature Check so I Slid On My SHOWER SLIDES and walked over to Nurse Edwards whom just happens to be standing right in the door-way. I spoke to Nurse Edwards, and she took my Temperature then left. %Sagady Waisted no time to Approach me while I stood in my room. %Sagady then asked me, "Why Are You Such A Bitch?" I laughed... Then hunched up my shoulders and asked %Sagady, "What do you want Man?" After that, %Sagady pulled out his Mase and ordered me onto my knees. But I refused, then asked, "What for?" %Sagady then Yelled, "Get On Your Fucking Knees..." I asked %Sagady not to Spray me that I have trouble breathing after Covid I have a heart Mur Mur and Azman. %Sagady ignored my plea, and instead stated, "You got three seconds to get on your knees..." At this point I'm afraid. I'm now requesting for a Lieutenant or Sergeant. That is when %Sagady Assaulted Me by Spraying me With the Mase after he was informed that I have a pre-existing condition heart problem. %Sagady Sprayed me in the eyes the Mouth and the nose area. I was blinded for a while. I tried to run out the door away from the Spray but that's when the three officers Ganged up against me Choking me and punching me.

%Sagady, OIT Poe, OIT McBride (Officers In Training) O.I.T.

I was being Choked and punched by Staff officers for no good reason. At that point I wanted to give myself up! My neck is being Squeezed! I think he was trying to choke me to death! Because at no point did %Sagady "allow" me to breath. So I began to force the three officers off of me, with a disparate fight for Air. Which is when matters gotten worst...

More officers came running into B<sup>2</sup> Red. Which is when I saw %Pasino, and for a short moment you can see me trying to explain that I can't breath. And at that moment I would've "Cuzzed up" if only the officers would've stop Choking me out of breath. %Pasino Yelled, "I Don't Give A Fuck..." Then Sprayed me and ran up the stairs and placed my neck into another choke hold Slammed me to the ground. And as %Pasino Squeeze my neck Someone push their Can of Mase to my nose and Sprayed it... All while I was on the ground, Subdude. I was not fighting Staff, I was fighting for air.

~ Memorandum ~

Dear Parties;

My name is Isaw Waleed Blake, a prisoner at Wallens Ridge State Prison, in which I was transferred to from level 3 Pocahontas State Correctional Center after being assaulted by Correctional Officers at PSCC. After this assault I was strapped to a bed for hours. Tcke Hicks (Warden) J. Watts (Major) Smith (Unit Manager) were all there and they all failed to reasonably respond to my serious medical needs and the excessive force in which was used on me in order for me to sustain my life threatening injuries. I am holding each and every Agent involved accountable for their involvement a violation of the Eighth Amendment of the United States Constitution.

Officer Sagady, I whom is employed at PSCC assaulted me then falsified a disciplinary report in which later lead to disciplinary actions against me. A violation of my due process in violation of the Fourteenth Amendment of the United States Constitution. I was denied medical attention/treatment after being assaulted and then immediately transferred to WRSP. I've written and forwarded Memorandums to Miss E. Allen as well as to Mr. W. Clarke and Mr. Holloway as well... informing each party of this assault.

Exhibit 7

I have yet to receive a response from any one in regards to my well being. I'm really trying to resolve this matter properly. Currently I'm being harassed by staff and I do not feel safe here at WRSP. Correctional Officer who assaulted me proved to have connections here at WRSP.

Record will show that on 1/4/2023, PSCC officers conducted a shake down here at WRSP where I'm housed.

Officer Sagady, I came to my door then told me that "I can't kill you but I'll take all your crap." I later had to grieve to get my TV back. This matter was grieved however, C. Meade claimed that the situation does not harm me personally.

I am running out of options at this point.

2/10/2023; I was indicted on more assault charges.

I am have been assaulted and now retaliated against for

exhausting my administrative remedies at PSCC

I'm reminding you and informing the new parties that I need help in this matter. I am asking that this matter be investigated immediately. I am not safe in this Region.

Thank you,

Respectfully Submitted

I, Abdulkhabeer Naser Azeez #1182097, hereby swear under penalty of perjury that the foregoing is the truth the whole truth and nothing but the truth to the best of my knowledge.

On or about January 4<sup>th</sup>, 2023, I was standing at my cell door (located in C-1 cell C429 at Wallens Ridge State Prison), watching the strike force team coming into the pod (C-1).

Some officers came in and sat down at the tables, some began to search the pods day area, while others made rounds (looking into each cell). It was at this point that a tall caucasian officer with short hair and glasses came up on the top tier looking at the door face cards & looking into the cells. When he got to my cell (cell C429) He looked at me then at the face cards on the cell's door. As he passed the cell he turned and yelled while simultaneously waving his hand in the air (to get someone attention) and said 129 sagady... Here is Blake's cell, he's in here he added

Ex: T

while justering & pointing with his thumb.  
I was unable to get this officers name  
because he wore no name tag.

Upon returning back to our cell. Our  
cell was completely destroyed. Pictures ripped  
up, paper soaked with water, stamps removed  
from the protective backing and stuck to the  
bottom of the top bunk, food thrown away  
and TV's taken for absolutely no reason.  
In addition to other things as well. A lot  
of which was nothing but spite & in the  
light of Blake's history with these officers.  
Done in retaliation.

Ms. Neo,

Just looking at this allege indictment that I was charged with. Ms. Neo, what's going on? And what am I being charged with? The Sentencing Guidelines (Cover sheet) explains that I'm charged with 'Simple Assault of Law Enforcement Offense Code § 18.2-57(c) However my allege Indictment states that I'm in violation of two offenses (18.2-57; 18.2-10). This is not a True Bill.

I need you to attack this indictment.

Further,

Ms. Neo as to the inconsistent statements our record reveals Nurse D. Edwards claim to have heard my Verbal belligerent threats towards Officer Sagady, T; however she can't be ~~so~~ too sure as to what I said being she switches her statements at least 3 times.

The officers in training, O.I.T McBride and O.I.T. Poe statements also has inconsistencies. I'm not sure who was who however one O.I.T walked with the Nurse whom was walking really fast and the other O.I.T was lagging behind almost three doors talking so no one can say that they truly heard what was said to any one unless their being ~~also~~ coached.

Ms. Neo, the times of the event are not matching up. Also, I would like all paper work stating from the Arrangement up until now. These people are working together in order to convict me on

these bow charges. And it is becoming clear to me. Now my question to you is are you here to help me or further harm me? Either way I will not fall victim to the Courts a second time Ms. Neo. So please help me.

I will like to know your method of defense so please schedule a Conference call or another visit with me some time soon. Again, Pocahontas has about 8 camera's in B2 Pod. However we were only provided 2 angles?

Request for the other 6 Footages, Footage of the Shower in the Seg-unit, Footage of the Boulevard (The distance I was carried) Footage outside B2 Pod "Sally Port" (Shows further assault-Punching) also I would like to know who did S.A. Wagner interview outside of "Staff" at Pocahontas in this investigation because you on had two Audio interviews when the entire B2 Pod witnessed my assault... Also Ms. Neo, request the Footage of Cell-One - in Seg where I was placed into 5 point restraints while I was restrained inside the cell it shows Ms. Teke-Hicks was well aware of my very serious injuries and did nothing when I asked her for help. Plead for help.

Please respond when you get this, by contacting my Parents Ms Jones or Mr. Jones at (330) 775-4784 or (330) 556-2876

Yours Truly,

Waleed

Re: Enclosed request for a "Lateral Transfer."

Dear Ms. Neo:

First of all, I am a little concerned having not spoken with you in a number of months. I pray that you're strong and healthy... You have not written me back after my few attempts to contact you by Via Mail (10/1/23, 10/15/23, 10/24/23). However, I'll give the benefit of doubt, giving the recent/continued retaliation on my Court documents and T.V., (T.V., is broken).

10/30/23, approx 1:30 p Sgt. McCray, Officer Barnett, John Doe Officer ~~and the other~~ all search my cell. Officer Barnett picked up my working T.V., and dropped my T.V., on to the table in the cell... and stated "Oh well it should still work".

Sgt. McCray Laughed. I asked Sgt. McCray if she would see if the T.V., still fully functioned. Sgt. McCray stated that my T.V., is fine.

Officer Barnett and John Doe Officer both acted together to trash my cell, destroy my T.V., and upon leaving my cell confiscating my legal documents by throwing my Manilla Envelope onto the floor by the door... Then Sgt. McCray kicked everything out the cell.

I explained to Officer Barnett when he through my legal mail in the trash that it was privileged mail.

Officer Barnett told me that it is now contraband because of the stains that it contains. I then explained that it is coffee! Officer Barnett and John Doe exited my cell.

I was allowed to enter my cell. Which is when I

discovered, My Written Complaints, Copies of my ~~last~~ Motions for my 1983 Complaints, my "Original Complaint," and other court documents was through in the middle of the floor, scattered/mixed-in with my cellmates legal doc's in which was littered with food and milk!

Ms. Neo, my photo's were damaged!

How much more should I have to endure before you realize that I am in immediate danger as long as I am in this region. I do not belong on a level 5 max being I am innocent of the alleged Assault I am charged with; however, I am requesting to be Lateral Transferred to Sussex from Wallens Ridge State Prison... Red Onion is not a option being that Officer's from Red Onion is responsible for the harrasment and the taking of my T.V., along with Officer Sagady, T., on 1-4-23.

I am currently <sup>Exhausting</sup> ~~Exhausting~~ my Administrative Remedies right now on this very matter; 10/30/2023.

Ms. Neo I written to you requesting a visit or a response to my letters. I pray that you are getting them on time or at all. 10/11, 10/15, and 10/24/2023.

I've spoken to my Counselor Mr. Thompson. And he asked me to inform you to call and ask for Him (Mr. Thompson) to request for a Lateral to another Level 5 which will be Sussex.

Ms. Neo, Staff's actions have successfully set me back/infact chilled my exercise of my first amendment rights. It's clear that Staff in this region, adverse action is aim to chill my protected conduct.

At our visit you mentioned that you do not want to travel too far in order to visit me.

Well, I'm placing my safety first Ms. Neo, please follow up after reading this scribe, with a phone call and a letter to my Counselor Mr. Thompson, Warden J. Artrip requesting a Lateral to Sussex please and thank you.

Re: Enclosed request for a "Lateral Transfer."

Dear Ms. Neo:

Enclosed you will find evidence of my mail being tampered with. I am enclosing this documentation to you so that you may forward these documents into evidence.

I can tell you all day long that I am not safe here at WOSP. and you may not believe my word of mouth...

But God forbid that I have to show an ounce of evidence.

The following documents are as followed to show Preponderance documentary evidence.

1) Exhibit (A) Certificate of Service Application

2) Exhibit (B) Letters to Warden (Unanswered) Destruction of Personal Property.
